Non-English Language (for a language not offered at Agnes Scott College): To meet the non-English language requirement, students taking the Intermediate 2 level of a non-English language (202 or 2002) must get this form signed by the Director of Academic Advising in Buttrick G-15. Note: Once enrolled, a student may seek permission to satisfy only one of the following general education requirements at another institution: courses to satisfy the non-English language, or Physical Education or ENG-110 requirements. Attempting to complete the non-English language requirement with courses not offered at Agnes Scott College is not recommended. Students may not be able to enroll in all of the courses needed to complete the requirement.
