Herff Jones guarantees that your ring, given reasonable care, will last a lifetime, and fully warrants both the ring and the stone to be free from defects in workmanship and/or material for the life of the ring.
Congratulations!

As an Agnes Scott College sophomore you have earned the privilege to order the coveted Agnes Scott College Ring. The receipt of the Agnes Scott College Ring is one of the highlights of the sophomore year and has been a treasured Agnes Scott College tradition since 1926.

Each sophomore is eligible to purchase a ring beautifully set with a genuine black onyx stone. Each stone will be incised with the ASC trademark letters. The sides of the ring will bear your year-date of graduation and your degree. Rings will be presented during the Sophomore Family Weekend Ring Premier in a beautiful wooden box customized with the Agnes Scott College seal.

During the Ring Ordering Event, a Herff Jones Representative will work with each sophomore in selecting her ring. Students will be offered the traditional ring size, or the petite, a smaller version of the traditional ring size. Each ring will be custom engraved with the student’s name (up to 17 spaces) on the inside. Sample rings to preview and finger sizing will be available during the Sophomore Class Ordering Event.
