Tips for Faculty

- Create an online course reading list in Moodle by using the permanent/stable links to articles in our databases.

- Use Suggest a Purchase form to recommend items McCain Library may add to its collection.

- Use the Need Help chat box to receive immediate assistance from the Reference Desk. Librarians are also available to students and faculty for individual research consultations.

- For research-intensive assignments have a LibGuide made to point students to the best resources and techniques. Contact Casey Long (clong@agnesscott.edu).
