**Financial Aid Options at Agnes Scott College**

**Scholarship Offerings**
When granting women merit-based scholarships, Agnes Scott looks at several factors, including academic achievement, community service, leadership, extracurricular involvement and state residence. The college automatically considers all early-action I and II students for these scholarships.

**Federal & State Aid**
All federal awards are determined by financial need as calculated using the information supplied on the FAFSA (Free Application for Federal Student Aid). Learn about the FAFSA at agnesscott.edu/admission/financial-aid/federal-and-state-aid.html.

- **Grants**: Two programs provide outright grant funds, which do not need to be repaid. For 2013-2014, Federal Pell Grants provide a maximum award of $5,645 per year; Federal Supplemental Educational Opportunity Grants range from $100 to $4,000 annually.
- **Work-Study**: These funds provide wages for students who are awarded campus jobs as a part of their financial aid packages. Students apply for positions during orientation. Students work 8 to 10 hours per week.
- **Federal Stafford Loans**: These fixed-rate loans (at 3.86% for 2013-2014) enable students to borrow directly from the Department of Education. Interest is paid by the government on subsidized Stafford loans, which are need-based. Interest accrues on the unsubsidized Stafford loans while the student is in school.
- **Veterans**: For information about Veterans benefits, visit agnesscott.edu/admission/financial-aid/veterans-benefits.html.

**State Aid for Georgia Residents**
Students may receive either HOPE or Zell Miller, but not both. Funds can only be received for 127 attempted hours of study.

- **The Hope Scholarship**: This is a non-need-based grant for Georgia residents who have recently graduated from high school with a 3.0 average or better. For 2013-2014, the full-time HOPE amount is $3,708.
- **The Zell Miller Scholarship**: To qualify, students must be Georgia residents, graduate high school with a 3.7 or better GPA and have at least a 1200 combined math and reading SAT score. The full-time Zell Miller award for 2013-2014 is $4,000.
- **The Tuition Equalization Grant**: This non-need-based grant is awarded to Georgia residents attending full-time. The amount for 2013-2014 is $700.

**Admission and Financial Aid Dates**

**Apply for Admission**
- Nov. 15 Early Action I
- Feb. 1 Early Action II; International Early Action
- June 1 Transfer, Nontraditional

* Domestic and international applications received after Feb. 1 will be considered under regular decision for fall enrollment.

**Submit FAFSA**
- January 1–February 15 All Students except International
