How the Marketplace works

1. **Create an account**
   First provide some basic information. Then choose a user name, password, and security questions for added protection.

2. **Apply**
   Starting October 1, 2013 you’ll enter information about you and your family, including your income, household size, and more. Use this checklist now to help you gather the information you’ll need.

3. **Pick a plan**
   Next you’ll see all the plans and programs you’re eligible for and compare them side-by-side. You’ll also find out if you can get lower costs on monthly premiums and out-of-pocket costs.

4. **Enroll**
   Choose a plan that meets your needs and enroll! Coverage starts as soon as January 1, 2014.
