Fellow Scotties,

Welcome to the Agnes Scott College family! On behalf of our illustrious institution and Student Government Association executive board, we Tyler Bryant and Fatimah Austin, are privileged and honored to be serving as your student body presidents for the 2015-2016 year and would like to formally welcome you to our community! In your next four years here at Agnes Scott, we challenge you to commit to academic excellence, live honorably, and challenge the moral and social norms of our time, step out of your comfort zone, develop your sense of leadership and have fun! Set your goals for the semester, year and years to come extremely high, while using all of the various resources provided here to help you accomplish those goals.

From our amazing academics to our enjoyable and timeless traditions, we are sure your next four years here at Agnes Scott will be memorable, challenging, exciting and prolific. In our experience, we have found the culture here at Agnes Scott to not only empower the growing students you are inside the classroom, but also the leaders you are becoming outside of it. Which is why the Agnes Scott community always encourages students to find various ways to evolve and reach their personal and academic goals and ambitions, such as holding positions on SGA Exec board. Agnes Scott’s SGA Exec Board consists of several different important student positions such as, Honor Court President, Judicial Board President, Programming Board President, Senate Co-Presidents, Cosmo Chair, IOC Chair, SGA treasurer and secretary and by being a student at Agnes Scott College; you are automatically a member of SGA and we encourage you all to participate in regular Student Government events.

Our biggest goals for this year include active transparency between student leadership and administration as well as committing to helping fellow Scottie’s reach and surpass their academic, professional, spiritual, and social goals of excellence at Agnes Scott. We want you all to know that we are always available to be contacted for any questions, comments, concerns or ideas at any point this year. We are very excited to get to know the class of 2019 and are awaiting all the tremendous things your class will do both here at Agnes Scott and in the rest of the world! Welcome to the family again!

Please feel free to reach out to the both of us at:

SGA Co-Presidents
Dear Scotties,

Welcome and congratulations on your decision to be a part of the Scottie Sisterhood! We are the Orientation Council Team. Our role is to welcome and support you as you transition to Agnes Scott College. We are excited for your arrival, and we hope that your time spent here will be both enriching and exciting.

Once you arrive on campus, you will participate in New Student Orientation. This program will give you and your family an opportunity to learn how to navigate campus and become acquainted with college resources, traditions, and campus facilities. During the program, you will experience the Goizueta Foundation New Student Leadership Immersion (GFLI), a new program under Summit, is a three day off-campus experience that facilitates the development of leadership skills necessary for students to transition and thrive within the Agnes Scott Community. This program initiates the leadership development curriculum at the college. Throughout the GFLI new Scotties will participate in workshops led by Agnes Scott College faculty and staff that focus on self-awareness and leadership, developing interpersonal, intrapersonal, management skills, and academic skill development.

To help you prepare for Orientation, we designed this Orientation Guide. This Guide will help you uncover the answers to questions you may have about preparing your course schedule, dining & meal plans, residence life, the city of Decatur, the greater Atlanta area, and much more. It will also introduce you to the various ways you can engage in leadership activities and student organizations during your time here.

Whether you are entering college for the first time, traveling from outside of the country, or transferring from another institution, we hope that this guide will be useful as you make the transition to Agnes Scott College. Be prepared to meet new people and make new friends!

Keep up with us this summer on Facebook: Orientation 2015 at Agnes Scott College.

We look forward to meeting you,

Your Orientation Council

We look forward to meeting you!
As you prepare to begin this new chapter of your life, you may have a few questions. Here, we have attempted to answer some of the most frequently asked questions. If you have more questions, connect with us on Facebook or send us an email. There will also be plenty of opportunities for you to have your questions answered at Orientation!

**What is Orientation?**
Orientation is a program that new students—first year, commuters, international, Woodruff Scholars (nontraditional college age), transfer, and exchange students—attend prior to beginning classes. The program includes various activities involving both you and your family. Orientation gives new students and their families the opportunity to get acquainted with college resources, traditions, campus facilities, and opportunities, all the while making new friends and exploring Decatur and the greater-Atlanta area.

**Who participates in orientation?**
All new students must participate in the orientation program. Families are also encouraged to attend and are included in the program through Saturday, August 22nd. Orientation Council has planned several events to provide families with information about campus services and to meet other ASC families, as well as students, faculty, staff, and administrators. A limited number of programs are provided for children ages 4-12.

**When is Orientation?**
Orientation takes place August 21-30th. International students arrive earlier for additional orientation activities designed to support their transition.

- International students arrive August 18th
- Fall athletes arrive on Monday, August 18th and winter and spring athletes arrive on Thursday, August 20th
- All other first-year students arrive on Friday, August 21st

**When should I arrive on campus?**
Orientation check-in occurs on Friday, August 21st. Check the Orientation Schedule in this guidebook for more details.

**What should I do to prepare for orientation?**
By now, you should have paid your orientation fee, submitted your Enrolled Student Form, and completed your Health Record Form. In late July, you will receive housing information. When you do, contact your roommate. Also, you can check out our Facebook page to stay up to date or ask questions.

**What should I bring with me for Orientation?**
The following is a list of items specific to move-in and Orientation:

- Your items in boxes and bags that have your name clearly marked and a dolly or handcart if you own one, to aid with move-in
- Casual clothes and comfortable shoes for most of Orientation weekend
GENERAL INFORMATION

- One dressier outfit (no shorts or jeans) for the Honor Pledge Signing Ceremony, which is a more formal occasion.
- Camping clothes for GFLI

For more details about packing, see page 17.

I had such a great time going to activities throughout Orientation week! How can I continue to spend time with fellow Scotties and become more connected to Agnes Scott?

We are so glad you asked! We are excited to let you know that the fun does not stop with Orientation! Throughout the fall semester, we have planned many events designed to further connect you to your ASC community. These events are a part of our First-Year Experience (FYE) initiative. After Orientation week, you will receive a calendar of events. So be on the lookout!

Where will I receive my mail?

Each student is assigned a post office box, which will arrive with your housing information. The post office is located on the first floor of Alston Campus Center. Your mailing address at the college will be:

“Student Name”
Agnes Scott College: Box # ________
141 E. College Ave.
Decatur, GA 30030

What about food on campus?

Agnes Scott College is proud to offer a nationally ranked dining program. We strive to keep up with the ever-changing trends in dining by offering students great exhibition cooking, authentic ethnic dishes, a culinary twist on old American favorites, and a variety of healthy options. Enjoy restaurant-quality meals that add value to your meal plan. During Orientation weekend activities, most meals will be provided for families.

What are some options for handling my money?

You may want to consider setting up a checking account for use while at school. Decatur has branches of many national banks, including Bank of America, SunTrust, WellsFargo, and other more community-based banks. Agnes Scott provides on-campus access to a SunTrust ATM.

Are there on-campus jobs available for students?

Most of the on-campus jobs for students are work study and are offered as part of some financial aid packages. These jobs are available in most offices and/or departments on campus. If you have been awarded work study, you will receive an email the second week of August describing how to log onto the job posting system and apply. A mandatory session for work study students will also be hosted by Human Resources during Orientation. During this session, you will learn about the ins and outs of work study. You will receive an email from a representative of HR regarding important documents and identification required soon.
Terms to Know
Here at Agnes Scott College, we are proud to welcome Scotties with various life and educational experiences! We believe this enhances our learning community and strengthens our mission of educating women to think deeply, live honorably, and engage the intellectual and social challenges of our times.

Throughout orientation week, you will find programs that are specifically tailored to your Scottie identity. In this guide, you will find additional information to enhance your orientation experience. The following definitions may be helpful to clarify your understanding of your Scottie identity. Please note that some Scotties have more than one identity; for example, you may be both a transfer student and a commuter student.

Traditional First-Year Student - You are a traditional first-year student if this is your first time attending college, you are between the ages of 18 and 23, and you live on campus.

Woodruff Scholar - You are a Woodruff Scholar if you either 24-years-old or older, married, care for a dependent, or have a combination of these experiences. Some schools use the term “nontraditional student,” but here at Agnes Scott, you are considered a Woodruff Scholar! Additional information regarding Woodruff Scholars orientation details can be found on page 11.

Transfer Student - If you attended a different college after high school, are 24-years-old or younger, and are single without a dependent, you are a transfer student. Additional information regarding Transfer Student orientation can be found on page 10.

Commuter Student - You are a commuter student if you are between the ages of 18 and 23, live within a 30 mile radius of Agnes Scott College (not including Agnes Scott housing at Avery Glen), and commute daily to attend classes. Additional information regarding Commuter Student orientation can be found on page 8.

Exchange Student - You are an exchange student if you are currently enrolled in another college or university (in another state or country) and are participating in a program which allows you to attend Agnes Scott College for a designated period of time, usually six months to one year.

International Student - You are an International Student if you are not a United States citizen and had to apply for a student visa to come to the United States. Additional information regarding International Student orientation can be found on page 9.
As a commuter student, we want you to feel at home. It is important for you to take full advantage of campus resources, get involved, and overall make the best of your college experience. We are here to help you adjust and give you tips on being a commuter student. Here is some helpful information specifically for you. If you have any questions or concerns please contact: Nicole Langford (nlangford@agnesscott.edu), your Orientation Council member.

A Few Tips…

1. **Attend all Orientation events, especially the Commuter Student Orientation** - this way you will feel more connected to the college and meet your fellow Scotties!
2. **Don't just go to class then go home** - Make the most of your college experience by becoming actively involved in an organization or even start your own club!
3. **Use campus resources** - Make an appointment with a Center for Writing and Speaking tutor if you need help writing a paper or go to the Math Learning Center if you need help with homework. More information about campus resources can be found throughout this guide.
4. **Plan your commute** - Leave home early in case of traffic jams, bad weather, etc.
5. **Save the Public Safety number in your phone** - Public Safety is awesome and they are here to help you. If you get to your car after a long day on campus and it won’t start, etc. call them and they will help you free of charge. Or if you feel unsafe walking to your car alone at night, Public Safety will be glad to escort you.

**Cool Spaces for Commuters**

- Commuter students have access to the Commuter & Woodruff Scholars Lounge in the Alston Student Center on the first floor. This is a nice spot for commuters to hang out in between classes, eat lunch, or even take a nap. There are lounge chairs, tables, and a kitchen area for your convenience.
- You will also receive a locker to have space to hold your belongings without having to haul heavy bags around campus. Please bring your own lock.
- Additionally, there is a computer lab in Alston specifically for commuter students to use.
- Commuter students are not restricted to the commuter lounge/lab! Feel free to lounge in the grass on a sunny day, find a favorite spot in the library to study or even have lunch with a friend in Evans or the Hub!
On **Monday, August 17, 2015**, new international students and new exchange students will arrive and move into the residence halls. International and exchange students arriving in Atlanta on August 17th will be met at the airport by Agnes Scott College (ASC) staff and students if they send the Office of International Education their travel information ahead of time. The contact person regarding arrival and airport pick up is Ms. Clementine Hakizimana, the International Student Adviser at chakizimana@agnesscott.edu.

Please note that your rooms in the residence halls will not be available prior to August 17th. If you choose to arrive in Atlanta before that date, you need to make your own arrangements for transportation from the airport and for off-campus housing. Make sure that your arrival date in Atlanta is August 17th as many of the international flights are overnight and go across time zones.

International Students Orientation (ISO) begins early on the morning of Tuesday, August 18th and goes through Friday, August 21st. The Office of International Education along with the Orientation Council’s international student coordinators, Tuang Cer ’18 and Sahara Khan ’17, have put together an ISO program full of activities to learn about cross-cultural adjustment, the U.S. classroom, housing, banking, safety, transportation, immigration regulations, insurance, health services, and other important information specific to new international students. This orientation will give international and exchange students the opportunity to meet one another in a smaller group setting, become familiar with the campus, and get over jet lag together before joining all other new students for a general New Student Orientation beginning on the evening of August 21st.

ISO is designed to make your transition to ASC as smooth and rewarding as possible. If you have any questions about ISO, please email us at chakizimana@agnesscott.edu or call the office of International Education at +1-404-471-5382.
Tips for Transition

1. **Participate in orientation activities.** Seriously! We are not just saying this because we helped plan the events! Orientation activities will provide you with an opportunity to get to know the campus, meet transfer students just like yourself, and learn more about the academic specifics of transferring from one school to another. We are excited to get to know you and to assist with your transition!

2. **Become an involved Scottie!** Getting involved at Agnes Scott is a great way to immerse yourself in campus life. Agnes Scott offers over 45 student-run organizations. Be sure to check out the “Unity Dessert” gathering on August 23rd and the “Student Activities Fair” on August 29th to learn about some of these organizations! One of our newest clubs is for transfer students. Be sure to look into this great opportunity to contribute to the vision of the club!

3. **Make Agnes Scott your new home.** We understand that you will want to stay in touch with family and friends while at Agnes Scott. However, we suggest avoiding the temptation to text, call, or Facebook too often! Try to connect with your Scottie sisters who are here with you. Also if you live in the residence halls, try to avoid going home every weekend. Staying on campus on the weekends can help speed up the transition process!

4. **Got honor? Scotties do!** Coming to a new school means a new set of rules and regulations. Agnes Scott is proud of its honor system which “is an expression of trust in students and in their willingness to uphold the ideals of the community”.

   Be sure to familiarize yourself with the new guidelines of your Agnes Scott community.

5. **Learn the Scottie way.** Agnes Scott is proud of its many traditions which make the campus culture what it is. As a new student, you may be wondering about “Black Cat” or the significance of bell ringing. There are plenty of people here who are excited to share our campus culture with you - don’t be afraid to ask questions! Check out page 47 in this guide and the traditions posted on our webpage to learn more.

6. **Get to know your academic advisor.** Your academic advisor will serve as an excellent resource for you as you make your academic transition to Agnes Scott. Because many transfer students are further along in their education, you may find that you will have to make some decisions about your education quickly. Your academic advisor is here to assist you, help make decisions, and keep you on track to reach your educational goals.

7. **Expect your courses to be tougher!** Agnes Scott is known for its academic rigor. Additionally, because you may likely be further along in your education, you will be enrolled in upper-level courses. Be prepared to fully commit yourself to your coursework. Your hard work will pay off!

8. **Strike a balance.** Our hope is that you find your place at Agnes Scott both inside and outside of the classroom. Work on finding a balance for yourself between school work and extracurricular involvement such as student-run organizations, athletics, or work.

Additional Information

Looking for more information? Check out our page for transfer students or the FAQ section for transfer students. You can also reach out to Nicole Langford (nlangford@agnesscott.edu), your transfer orientation expert!
Tips for Woodruffs

- ASC is academically rigorous. Plan ahead to make sure you are prepared to take notes, study, and succeed on exams/papers. Offices helpful for this include: Center for Writing and Speaking; Academic Advising; Tutoring.
- Take the time to build relationships with your professors and academic advisors.
- Schedule classes to best balance other priorities (work, family, childcare, etc.).
- Plan ahead with your children. Children are more likely to stick to a plan that they helped to formulate.
- Focus on what is going well and remember to celebrate everyday successes.
- Take time to relax and pamper yourself, even if it’s only 5 minutes of meditation a day.
- If you continue to feel overwhelmed, remember you are not alone—there are community resources to help you. Talk to your family doctor or visit the Wellness Center.
- If you’ll be commuting, make sure to check out the “Commuter Student” information page in this Orientation Guide.

“Being a Woodruff usually means balancing school + work and/or family life. This can be incredibly stressful and overwhelming at times. The temptation is to cut out anything that isn’t related to school, work, or family. BUT it’s essential to find a way to connect to ASC in a way that isn’t so burdensome. Finding an extracurricular activity on campus (however small it may be) has helped to feel like a part of the larger student body and truly enriched my time as a Scottie thus far. Physically, it can be exhausting, but mentally & emotionally it helps keeps me in balance.”- Taina Brown

ACADEMIC TO-DO LIST

☐ Continue to check the Accepted Student Website, especially the link “Learn about the Advising Program” which has information about placement tests, IB and AP exam credit and much more.

☐ Prepare for your advising meeting with your Summit Advisor by completing your Enrolled Student Form (due June 1), Summit Advising Reflection, and ACT Engage (due July 1). Your Summit Advisor uses these items in your virtual advising/registration meeting so if you have missed the deadlines, you should complete them as soon as possible.

☐ Complete the required “Math Skills Quiz” and any additional online placement tests. If you missed the June 1st deadline you must complete them as soon as possible. To access the tests, log onto Moodle using your ASC network username and password. Once you have logged in, click on the message “Click Here to take the Placement Tests” and then click on the “Enroll” button at the bottom of the page. This will take you to the ASC Placement Tests “course” and you can select the appropriate placement test. All new students must take the Math Skills Quiz. If you think you may wish to take Calculus, you should take the Calculus Readiness Survey. If you have studied French, German, Latin or Spanish in high school and wish to continue in that same language for your non-English language requirement at ASC, you must take the online placement test. (Students with background and interest in Chinese, Japanese or Ancient Greek should speak with a faculty member during Orientation about placement.)

☐ If you wish to exempt music theory or take upper-level dance technique classes, plan on participating in on-campus placement tests held Tuesday, August 25. The results of all placement tests are reviewed by the faculty and placement decisions will be sent to your advisor.

☐ Check your ASC e-mail at http://scottiemail.agnesscott.edu using the network username and password sent to you by our Information Technology Services Office. ASC e-mail is the most important method of official college communication, so it is very important to check this account daily.

☐ Get to know AscAgnes. AscAgnes is the online tool you will use to search and register for classes spring semester, check midterm grades and final grades, monitor your progress toward your degree, and much more. Anyone can use AscAgnes to see the schedule of classes offered each semester but to access most of the features you need to log in. To get to the AscAgnes website, type in http://ascagnes.agnesscott.edu

6. Repeat Steps 4 & 5 as often as you wish to add or drop classes, following messages from AscAgnes like “prerequisites not met” etc. If you have questions, come to Campbell Hall Room G-15.

What should I do if I need help using AscAgnes?

Staff members from the Registrar’s Office and Academic Advising will be available to help you in Campbell Hall(Room G-15) during the August 25th registration times (see #1 above).

How can I make sure my fall course schedule is final?

On AscAgnes, after August 12th, click My Class Schedule to view your final schedule.

How many classes should I take?

In order to graduate on time, students should take 16-18 credits each semester for four years.

How do I use the online registration system to make class schedule changes if I wish to do so?

1. Go to AscAgnes: https://ascagnes.agnesscott.edu/WebAdvisor/WebAdvisor
2. Click Log In at the top of the screen, and enter your Agnes Scott email User ID and password
3. To get started, click AscAgnes for Students, then click Register, Drop and Add, then click Search and Register for Sections
4. On the Search and Register for Sections screen, choose term FALL 2015, then limit your search by populating Subject(s) desired, then click SUBMIT (HINT: it is easiest if you leave all other options blank on your first search so you can see all course levels, course numbers, and sections available).
5. On the Section Selection Results screen, click the checkbox next to an OPEN class you think you would like to register. When you click SUBMIT, your registration page Register and

PREPARING FOR YOUR ARRIVAL

What if I want to change my schedule to ADD a new class or DROP a class after August 25th?

You can continue to add/drop classes on AscAgnes through **Monday August 31** (the first 6 days of the semester), although your GBL-101 and LDR-101 assignment may not be changed. From **September 1-4**, you may continue to add OPEN classes these 4 additional days by obtaining instructor permission/signature on a paper drop/add form, then submitting the form immediately to the registrar’s office for processing. You may continue to drop classes for an additional **2 weeks** with advisor permission/signature on the paper add/drop form submitted to the registrar’s office.

What does it mean to withdraw from a class?

Withdrawing from a class is different from dropping a class. A drop takes place early in the semester and completely removes the course from your academic transcript. A class withdrawal can happen later in the semester, but the withdrawal will result in a grade of W (Withdraw) on your academic transcript; W grades have no impact on your GPA.

How does the waitlist work?

First-Year students will generally want to keep their original fall schedule of classes, even though you do have the option to make registration changes on Tuesday, August 25th (starting at the time assigned to your last name group –see #1 above). As you consider registration changes, you may find courses that are closed with waitlists. If you choose to add yourself to a waitlist, please read about how waitlists work by visiting the Office of Registrar website [http://www.agnesscott.edu/registrar/](http://www.agnesscott.edu/registrar/). You should check your ASC email daily while you remain on a waitlist. The registrar’s office will email you if a spot opens up with instructions on what to do to add yourself into the class from the waitlist. At any time, you may drop yourself from a waitlist on AscAgnes using options Register, Drop, Add and then Manage My Waitlist. If you have questions, come by the Registrar’s Office during regular business hours.

What if my health insurance, car insurance, or loan company needs proof of enrollment?

Please stop by the Registrar’s Office to complete an enrollment verification form. We can mail or fax the form back to an individual or company directly, or you can pick up the letter from our office.

How can I tell if I have any holds on my account?

Login into AscAgnes and click on **Student Holds**. Holds prevent you from registering, adding or dropping classes. A hold could come from any office, like Accounting, Library, or Health Services. Contact that office with questions.

What does it mean if I ever see an Advising hold on my account?

Advising holds are typically used to ensure that you meet with your advisor (1) for the required advising consultation in advance of registration periods in November (for spring classes) and April (for fall classes), or (2) to discuss concerns regarding your academic progress or Summit requirements.

How can I see if my AP or IB credit was accepted by Agnes Scott College?

Login into AscAgnes; check your **Unofficial Transcript**. If you do not see AP or IB credits here, then check the transfer credit policy online at [http://www.agnesscott.edu/registrar/](http://www.agnesscott.edu/registrar/) to see if you qualify (see ‘Prospective Students’ on the left side navigation bar). If you feel you should have gotten credit, email Mr. Stacey Robbins, Associate Registrar, at strobbins@agnesscott.edu. It is also possible our office may not have received a score report from CollegeBoard. If that is the case, you will need to order a score report at [www.collegeboard.com](http://www.collegeboard.com).

How can I see if my joint-enrollment or transfer credits were accepted by Agnes Scott?

Login into AscAgnes; check your Unofficial Transcript. If you don’t see credits here, check the transfer credit policy.
online at http://www.agnesscott.edu/registrar/ to see if you qualify (see ‘Prospective Students’ on the left side navigation bar). If you did not receive credit but feel you should have received credit, please email Mr. Stacey Robbins, Associate Registrar, at strobbins@agnesscott.edu. He can help you and explain if you need to request an official transcript be sent to us from a former institution to our office at the address below.

How can I find out about the different classes needed for different majors?

All new traditional Fall 2015 students will follow the guidelines in the 2015-2016 Catalog. Agnes Scott academic catalogs can be found online at http://www.agnesscott.edu/academics/academic-catalog/index.html

Tell me about the data verification form that I will receive from the Registrar’s Office in August.

This form is a way for the college to verify your current addresses, e-mails, and phone numbers for you and your family. You should print out this form and return it, in person, to the registrar’s office the first week of classes.

If you have any other questions, please visit or contact us – we are here to help you!

TRAVELING TO GEORGIA & AGNES SCOTT COLLEGE

Agnes Scott College
141 East College Avenue
Decatur, GA 30030

Lodging and Transportation

We recommend that you begin planning your stay well in advance since hotels/motels tend to fill quickly prior to our Orientation programs. Agnes Scott College does not offer lodging or transportation for family members during Orientation. Visiting VisitDecaturGeorgia.com will allow you the opportunity to see what lodging options are available nearby. Public transportation is accessible throughout Decatur and the Atlanta area. Visit ITSMarta.com in order to find out how to get to campus from the airport and access local tourist sites in the area. Atlanta also has a Greyhound and Amtrak station for those of you traveling outside the Atlanta area.

Directions to Campus

By Bus

Hartsfield-Jackson Atlanta International Airport is serviced by 30 airlines. For 80 percent of the U.S. population, the flight is two hours or less. For international passengers, non-stop and one-stop single plane service is offered from 58 cities around the world. Taxi fare from the airport is approximately $30.

By Subway

Agnes Scott’s campus is a short three-block walk from Atlanta’s subway system, known as MARTA. Take the East-West line to Decatur Station. Exit the terminal on the Church Street side and head south (toward the corner of Trinity and Church). Use the pedestrian tunnel to pass beneath the railroad tracks; you will merge at the College Avenue entrance to campus.

By Car From I-75

- Take I-75/85 to the Freedom Parkway exit.
- Continue on Freedom Parkway (at the fork, bear to the left) until it ends at Ponce de Leon Avenue. (1.9 miles)
- Turn right and follow W. Ponce de Leon toward Decatur.
- At the traffic light immediately following arched railroad trestle, bear to the right as W. Ponce de Leon forks to the right. (2.8 miles)
- Turn right onto W. Trinity Place. (0.5 miles)
- Turn right onto N. McDonough Street. (0.6 miles)
- Follow N. McDonough over the railroad to Agnes Scott College. (0.3 miles)

By Car From the North on I-85

- Take I-85 to the Clairmont Road exit.
- Turn left onto Clairmont Road.
- Turn right onto Commerce Drive. (4.9 miles)
  (Disregard directional sign pointing left; continue right)
- Turn left onto W. Trinity Place. (0.4 miles)
- Turn right onto N. McDonough Street. (0.1 miles)
- Follow N. McDonough Street over the railroad to Agnes Scott College. (0.3 miles)

By Car From the East on I-285 or I-20

- Take I-285 to Stone Mountain Freeway, Highway 78 exit.
- Go west on Highway 78 (Street name changes to Scott Boulevard.)
- Turn left onto Clairmont Road. (4.1 miles)
- Turn right onto Commerce Drive. (0.7 miles)
  (Disregard directional sign pointing left; continue right)

A Community that Cares
4:45–6:15 p.m., Gym
As a member of the Agnes Scott community, students, faculty and staff are stakeholders in creating a safe, inclusive, and dynamic space within our campus. This involves respecting all identities, engaging in meaningful dialogue, and promoting responsible citizenship. Creating a community that cares seeks to help stakeholders recognize and understand the social and cultural dynamics related to misconduct and violence—including sexual assault, bias, and gender-based violence. In this session, we will explore the concept of bystander intervention, identify skills and strategies of responsible citizenship, and brainstorm ways in which we can make Agnes Scott a vibrant and safe community.

In-Person Placement Tests

General Information regarding placement exams:

- **Music Theory Placement Test**, 9–10:30 a.m., Presser
- **Dance Technique Placement Test**, 9–10:30 a.m., Dance Studio

Online placement tests:

Please note that an online math skills quiz is **required** for all new students. If you have not completed this quiz during the summer, you must do so before you can see your final fall course schedule (August 12). This quiz is accessible on Moodle and requires you to log in using your ASC network username and password. Once logged in, click on the “Placement Tests, click here” and then the "Enroll" button. You will then select the Math Skills Quiz.

Other placement tests include French, German, Latin and Spanish. Anyone who has studied one of these languages in high school and intends to continue study of that language at ASC must take the online placement test. Only students with college transfer credit or a 5 on the AP language test for French, Spanish or German do not need to take the ASC language tests. Students interested in Calculus should complete the Calculus Readiness Survey.

For additional questions about placement, please contact Jennifer Cannady at jcannady@agnesscott.edu

YOUR FIRST YEAR EXPERIENCE

The fun does not stop with Orientation! Throughout fall semester, we have planned many events designed to further connect you to your ASC community. These events are a part of your First Year Experience (FYE) initiative. After Orientation week, you will receive a calendar of events. You have a lot to look forward to, including an ice cream social at President Kiss’s home, workshops to help you succeed academically.
Academic Advising

Buttrick Hall 104 | (404) 471-6200

The Office of Academic Advising provides services to support your academic success. Communications from the Office of Academic Advising keep you informed about academic policies, procedures, and special curricular opportunities. Regular programs throughout the year focus on enhancing your academic skills such as time management, note-taking and test-taking strategies. The Office of Academic Advising also provides accommodations to students with disabilities.

In addition, the Office assigns you an academic adviser. You will enter Agnes Scott as an “undeclared” student even if you indicated an interest in a specific major program. Your adviser may or may not be a faculty member associated with a discipline in which you wish to major but rest assured that all academic advisers can assist you with academic planning for the first one to two years. You will also receive specialized advising information at the Academic Department Fair during Orientation. Faculty members from all departments and programs are available during the Fair to answer your questions. Special advising sessions on pre-health professions and the dual degree programs in engineering, nursing and computer science will also take place during the Fair. You will meet your assigned adviser during orientation weekend in a small group format. At this meeting you will receive an individual advising appointment time. During the individual meeting you and your adviser will discuss your goals and review the minimum schedule of courses you were assigned in the summer. You and your adviser may wish to make adjustments to this schedule and you will typically add an additional full-credit course to complete your fall schedule. Staff members from the Office of Academic Advising and the Registrar are available during registration to assist you with the process if needed.

Accommodations for Students with Disabilities

Agnes Scott complies with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act Amendments Act of 2008. If you have a disability for which you require academic accommodations, you must complete a registration packet available from the Office of Academic Advising. This packet is available on Academic Advising and Student Disability Services section of the Agnes Scott website and provides guidelines for the documentation needed to register. Please note that in the case of ADHD and most learning disabilities, the evaluation and diagnosis must have been completed within the last three years or after your 18th birthday. Even if you feel that you will not need accommodations, we encourage you to register with our office in case you do find they are later necessary. Once your registration documentation has been received, Kelly Deasy will contact you to discuss your specific needs.

Athletics

Woodruff Athletic Complex | (404) 471-6133

Agnes Scott College competes in the NCAA Division III level and is a member of the Great South Athletic Conference. The college offers six varsity sports: soccer, volleyball, basketball, cross country, softball and tennis. Students interested in joining a varsity team are encouraged to contact each head coach for further information.

Schedules of contests and further information can be found on the athletics website, http://athletics.agnesscott.edu. In addition to varsity sports, the athletics department encourages and supports a club/intramural program. The intramural program provides a variety of activities, determined by students’ interests. In past years, the following activities were offered: kickball, basketball, cardio kickboxing, yoga, rock climbing, whitewater rafting, flag football, Pilates,
belly dancing, CPR training, golf, social dance, bowling, water aerobics, and much more. The Woodruff Physical Activities building includes an eight lane indoor pool, basketball and volleyball courts, and a weight room. Please check out the website for an up to date building schedule.

Meal Plans - Frequently Asked Questions

Do unused meals carry over to the following week?

No. Please plan to use your meals each week.

What is “Meal Equivalency” and how does it work?

Your meals from your meal plan can be used in the Alston Campus Center. An exchange of one of your meals (Meal Equivalency) can be used towards your purchase in Mollies or the Black Cat Café. One Meal Equivalency can be used per meal period. Prepackaged items cannot be purchased with Meal Equivalency. (Exceptions, small bags of chips, small packs of cereal, yogurt, and milk). A prepackaged item is anything that comes already packaged for resale from the manufacturer.

THE GUE PARDUE HUDSON CENTER FOR STUDENT ENGAGEMENT

216 Alston Center

The Gué Pardue Hudson Center for Student Engagement creates and sustains a vibrant campus experience for students where learning takes place within and outside of the classroom. The Center encourages Agnes Scott students to become actively involved in organizations, programs and services that foster intellectual growth and leadership development. The Center motivates students to connect to Agnes Scott and the wider global community through the integration of our pillars which are diversity, leadership, service and wellness.

The Center for Student Engagement staff support students as they explore who they are across the spectrum of diversity. We recognize that a multiplicity of identities exists within our community and we affirm these varied perspectives through the work of the staff in our department. The Center serves as a key resource for Agnes Scott’s commitment to create and foster an inclusive campus community. As an Agnes Scott student, you will participate in a variety of community building programs including intergroup dialogues, cultural celebrations and social justice initiatives that serve to educate and support you as you experience life in college. As you develop your cultural competence, you will find that leadership opportunities abound at Agnes Scott.

The Center for Student Engagement offers specialized leadership programming that develops students from their first-year to graduation. The Center encourages you to join Emerging Leaders, become a club president or get involved with the numerous other opportunities to serve. Whether you are selected as a Dana Leadership Scholar, become a member of Honor Court, or choose to start your own chess club, it is important that you recognize the importance of finding your voice as you seek opportunities to lead and serve with integrity.

The Center for Student Engagement believes that community engagement through service learning opportunities plays an essential role in the development of students as global citizens of the world. Through a variety of on and off campus activities focused on student engagement in service, the Center staff invites you to participate in initiatives that allow you to commit yourself to the values of lifelong learning and community involvement. As you move throughout the world seeking ways to make a difference in the lives of others, the Center for Student Engagement will be with you on your journey.

We encourage students to take advantage of opportunities at Agnes Scott by becoming involved on campus. You will have the chance to meet members of various student organizations during the fall Student Activities Fair. As a member of the Agnes Scott community, you will also have an opportunity to attend events in Atlanta. Discounted tickets are available to attractions such as local movie theaters, and for local plays. For more information on services provided to you as a student, we invite you to visit the department and meet with one of the staff members dedicated to support you.
INFORMATION TECHNOLOGY SERVICES

Ground Floor of Walters Hall (The main entrance is between Walters Hall and Evans Dining Hall) | (404) 471-5487 | itshelp@agnesscott.edu

The Office of Information Technology supports all technology needs of the campus. We have tried to anticipate questions you may have regarding bringing a computer to campus. This information is as current as possible, but is subject to change. If you have any questions please contact the ITS Help Desk. During orientation, ITS will be open until 7:00 p.m. on Friday, 10:00 a.m.- 2:00 p.m. on Saturday, and 12:00 p.m.- 3:00 p.m. on Sunday.

ITS FAQs

Am I required to bring a computer?

No, we do not require students to have a personal computer of your own. The college provides public computer labs throughout campus for student use.

Should I bring a desktop or a laptop?

Desktop systems are less expensive, but laptops are great for mobility, consume less electricity, and take up less space.
What brand of computer and minimum hardware requirements do I need to connect my computer to the campus network?

The make and model of computer you choose is a matter of personal choice as long as it meets the following minimum specifications:

- PC: Pentium I series (or better) processor, 2 GB RAM, 100 GB Hard Drive, with Microsoft Windows 7 or Microsoft Windows 8.
- Macintosh: G4 or newer, 2 GB RAM, 100 GB Hard Drive, built-in Ethernet adapter, with OS-X.

What operating system is required for connection to the campus network?

Microsoft Windows 7, Windows 8, or Macintosh OS X.

What about software?

Chrome browser, Microsoft Office 2003, 2007, Office 2004, and Office 2008 for Mac (Word, Excel, PowerPoint, Access) are supported and installed on all college computer systems. Software that is used in various classes are available on public computers and do not need to be purchased; for example, SPSS, SAS, Maple, Spartan, STATA, Systat, MatLab, Fathom, Cje, Chem Office, MathCAD, Geometer Sketchpad, and various graphic design software packages.

Do I need a printer?

You can bring a small inkjet for your room; however, network laser jet printers are available in public labs. We have a campus-wide print management system that enables students to print a certain amount during the academic year.

Can I get discounts for hardware and software purchases?

Yes, links to hardware and software discounts are available at [http://www.agnesscott.edu/academics/technologyservices/technologydiscounts.aspx](http://www.agnesscott.edu/academics/technologyservices/technologydiscounts.aspx).

Can I access the college-network and Internet resources from my room?

Yes. All residence hall rooms are wired with two information outlets. Each outlet has a network jack (purple), and a cable-TV connection. There is a public telephone on every floor of each Residence Hall. You also have Wi-Fi access in your room; please do not bring a personal wireless router.

Does the college provide Wi-Fi access?

YES! WoofWoof WiFi is available all over campus.

What network services are available to me in my residence hall room?

Access to academic related network file services; E-mail with Google’s gmail service branded Scottiemail on campus; Internet Web access through standard Web browsers; instant message and chat services; access to the college course management system, intranet services, online phone directory, library services and many other web delivered services.

What are some useful web addresses?

- [http://scottiemail.agnesscott.edu](http://scottiemail.agnesscott.edu) - Email
- [http://courses.agnesscott.edu](http://courses.agnesscott.edu) - Course Management System

- [https://ascagnes.agnesscott.edu](https://ascagnes.agnesscott.edu) - Access to course schedules, online statement, and more.

Should I be concerned about computer viruses and spyware?
Yes. Any personal computer connecting to the campus network must have Antivirus software installed and kept up to date.

- PC Antivirus software: (free) AVG, Avast!, Windows Defender (paid) Kapersky, Bitdefender, TrendMicro, Norton Internet Security
- Mac Antivirus software: (free) ClamXAV, Sophos, Avast, Norton’s iVirus (paid) Bitdefender for Mac, Kapersky Virus Scanner, Norton for Mac

What student personal computer issues does ITS support?

We assist with issues related to connecting to the residence hall network, diagnosing hardware and general operational issues. We cannot provide support for advanced system crashes or systems infected with a virus / malware.

Is there anything else I need to bring to campus?

- Your operating system, restoration and application software
- Blank CDs and thumb drive(s) so you can backup your course work
- Product registration numbers
- Three-prong grounding power adapter
- Surge protecting power strip
- Warranty contact information
- Coax cable for cable TV

Office of the Dean of Students

100 Main | (404) 471-6392

The Office of the Dean of Students supports students in co-curricular matters and serves as a resource in all concerns regarding student life on campus. Dean of Students staff members serve as student advocates, and if they cannot directly address a student concern they will make a referral to the appropriate office or individual. The Office of the Dean of Students is the umbrella office for the Division of Student Life which includes Athletics, Career Planning, the Center for Student Engagement, Religious and Spiritual Life, Residence Life, and the Wellness Center.

Student Life staff are educators who foster a holistic developmental experience for students, creating a dynamic experience in which students can realize their full potential and empowering them to make meaningful contributions in the world. Each area in student life endeavors to achieve outcomes relevant to its particular work; as a whole, the division of student life is committed to the following learning outcomes:

- An awareness of self and a healthy self-identity; the capacity to examine, test, and challenge one’s own beliefs, values, attitudes, and behaviors
- Engagement across difference, an understanding and appreciation of diversity, and capacities for intercultural communication and connectedness
- Knowledge, skills, and abilities for ethical, compassionate, servant leadership and responsible, active, and engaged citizenship within the Agnes Scott community and beyond
- Personal responsibility for one’s actions and an understanding of their impact on self and others. Social responsibility to transform and sustain the local and global communities in which we live
- Ability to make meaning of one’s life, purpose, and journey of engagement
- Holistic growth, a balanced, healthy lifestyle, and a life-long commitment to learning
RESOURCES AT ASC

OFFICE OF INTERNATIONAL EDUCATION

Buttrick Hall, 102B | (404) 471-5380 | oie@agnesscott.edu

The office of International Education (OIE) coordinates study abroad and faculty-led international programs and provides services for international students, including assistance with immigration procedures and cultural adjustment. In its role of supporting the acquisition of international perspectives and fostering intercultural competence, the OIE advises the International Student Association (ISA), which is composed of students from around the world—including the United States—who are interested in intercultural interaction.

OFFICE OF THE REGISTRAR

Buttrick 101B | (404) 471-6137 | registrar@agnesscott.edu

The Office of the Registrar oversees course registration, maintains student academic records, and provides data to the ASC community. Visit us if you need to update your address or other demographic information, need an enrollment verification letter for health or car insurance, need unofficial or official transcripts for scholarships, or have questions about your AscAgnes degree audit (you and your adviser can see your degree audit on AscAgnes).

OFFICE OF RELIGIOUS AND SPIRITUAL LIFE

The Julia Thompson Smith Chapel | (404) 471-5177

Agnes Scott College supports spiritual inquiry and makes a concentrated effort toward interfaith dialogue and religious pluralism. Students from all faith traditions are encouraged to participate in spiritual life at the college, as well as in metro Atlanta by participating in a local community of faith. The spiritual journey is enhanced by participation in student-led religious organizations, prayer gatherings or study groups, worship services, special observances, college events, panels, and lectures. The weekly Agnes Scott Believes series is an opportunity to learn about meaningful experiences shared by members of the college community.

The Julia Thompson Smith Chapel is open to people of all faiths.
Some of our student religious organizations include: the Interfaith Council, Christian organizations representing different denominations, Hillel (Jewish student association), Daughters of Gaia (earth religions), and the Muslim Student Association. For more information about these and other possibilities, contact the Office of Religious and Spiritual Life via email or phone at 404 471-5177.

Office of Residence Life
Alston Campus Center, Carrie Scandrett Suite, Room 212 | (404) 471-6408

When you move into your residence hall, you will experience Agnes Scott’s time-honored tradition of living on campus. As a first-year, you’ll have the opportunity to live near classmates with similar academic interests—making it easy for you to make many new friends and continue learning outside the classroom.
Walters and Winship house all first year students. On each floor of these buildings, there are two resident assistants (RAs), upper class students who serve an important leadership role helping to build community on the floor and assisting each student in connecting with resources and opportunities on campus. They are also trained to help residents work through roommate conflicts, develop programming to support students’ personal and academic development, and respond to emergencies on campus. In addition, a Senior Resident Assistant resides in each of the first year buildings. The SRA provides support to the RAs in their role and is an additional support for residents of the building.

While you’re living on campus, take advantage of residence life programs, spend time getting to know your floor and building mates, attend programs organized by your RAs and get involved in leadership roles such as becoming an Environmental Resident (ER) or Resident Computing Consultant (RCC). At the end of the day as you put your feet up and hit the books, we want you to think of your residence hall as your safe, welcoming and fun home at Agnes Scott.

OFFICE OF SUSTAINABILITY

Main 106 | (404) 471-6499 | sustainability@agnesscott.edu

Working with more than 300 students, faculty, and staff, the Office of Sustainability at Agnes Scott is responsible for undertaking sustainability efforts on campus, as well as in the surrounding community of Decatur and the metro-Atlanta region. Agnes Scott incorporates sustainability in all of the campus activities including:

- Course curriculum
- Waste Reduction
- Energy & Water Conservation
- Sustainable Investment
- Relationship with Public Health Curriculum and Research

Here are some of the things the Office does and offers around campus:

Single Stream Recycling

Agnes Scott offers single-stream recycling throughout campus. Single stream makes it easy for you to recycle since all materials go into one container—no sorting required!

Recyclable Items:

- Plastics #1-7
- Paper
- Magazines
- Aluminum cans
- Glass
- Cardboard
- Newspaper/phone books
- Plastic bags, styrofoam, and plastic films are still recyclable, but must be taken to the collection bin in Alston or the Office of Sustainability in Bullock G-08. For a complete list, take a look at the included Recycling
RESOURCES AT ASC

Cheat Sheet!

Composting

Agnes Scott offers composting in dining facilities and during events. By composting, you can significantly reduce the amount of waste that we send to the landfill.

Compostable Items:

- All food:
- Meat, bones, dairy, fish, poultry, vegetables, produce, herbs, breads, grains, pasta, fruits, pizza, tofu, tea bags, coffee grounds
- Waxed paper products
- Used paper plates and napkins

Composting Locations: Composting occurs in Evans, the Eco Theme House, and other locations for events.

Other Items

Not sure how to dispose of a particular item? The Office of Sustainability is glad to help! Contact us with your recycling, composting and waste questions at sustainability@agnesscott.edu

Environmental Resident Program

Join the Environmental Resident program and be a student leader working with the residence life staff and the sustainability office to promote campus-wide involvement in sustainability initiatives. As residence life office liaisons, ERs advise the sustainability staff about student engagement. ERs organize fun events year round such as RecycleMania, Earth Hour, Earth Day, Recycling Week, movie nights, and a Go Green & Get Down party. We will be recruiting first-year ERs after your arrival on campus in August!

Scotties Working toward the Advancement of Tree-hugging (SWAT)

An environmental organization devoted to increasing campus and community awareness and action, volunteering with local environmental groups, and organizing outdoor activities. SWAT works alongside such local groups as Oakhurst Community Gardens, Trees Atlanta and Atlanta Wild Animal Rescue Effort.

Organic Garden and Greenhouse

With two gardening locations, it’s easy to learn new gardening methods, and see how to garden sustainably on a small scale. The main garden, between Bullock and the tennis courts, is tended by one of the Sustainability Fellows and by volunteers. The second, smaller garden is behind the Eco Theme House. The greenhouse is used by lab groups, and by the Wylde Center to start seedlings for spring. Stop by these locations at any time, and see what’s growing! If you are interested or would like to help out, email Leah Bryant at lbryant@agnesscott.edu.

Bonus: Volunteers who help usually get to take home any produce harvested!

Printing on Campus- P.A.W. Print

The Facts – directly from the ITS website

- All registered Agnes Scott students receive 500 free pages, $30.00, annually.
RESOURCES AT ASC

- Each student will have a 35 sheet page overdraft.
- The free page quota is available from July 1st through June 30th.
- Quotas will be reset in the print management system on July 1st of each year.
- Unused quotas will not be carried across from year to year.
- When your balance drops below $2.00, you will receive an email message notifying you that you are reaching your quota. You will need to add money to your account to increase your page quota.

Print Rates

- Black: Single $.06 Duplex $.03
- Color: Single $.12 Duplex $.06

P.A.W. Printing is NOT included in your tuition, it is an additional service provided by Information Technology. This means that you DO NOT need to “use up” your printing money, or even try to “use it up.” You will not be losing any possible money by not using your printing money. For the full details, click here to go to the ITS website.

Eco Theme House

In an effort to motivate students to live more efficiently and become more environmentally conscious, one of the three theme houses was designated to be the “Eco House.” Upperclasswomen can live in the houses, and 8 students can apply to live in the Eco House, based on their previous experience of sustainability, academic diversity, and interest in being more environmentally conscious. The House hosts events periodically, such as D.I.Y. crafts, and Trash-or-Treat.

Green Fee

The Green Fee is $10 of the Student Activity Fee that goes toward the Student Green Fee Fund (SGFF) to allow students to apply for the funds in order to initiate and lead sustainable projects on campus, or participate in educational opportunities off campus. This means that if you think of a great sustainable project you want to start or lead, you can apply for this money, and make it happen! It also means that you can apply for funds to attend a conference, or similar event off campus. The SGFF is managed by students, for the students.

Zip Car

This is a great option if you don’t have a car, or will be using a car sparingly. You can sign up as a student and your parents can too. The Zipcar membership has no initial or monthly fee; instead, you pay a $15 annual fee, to have access to a car at any time. In order to be eligible for Zipcar you have to have a valid driver’s license for at least one year, as well as no moving violations for persons 18-20 years old and no more than two moving violations in the past three years for persons 21+. Zipcars can be rented by the half hour, the hour, and the day. The cost to rent a car is around $9.00/hour, or $70 a day, with both insurance and gas included. After signing up, you will receive a card in the mail that is used to unlock the car. The closest Zipcar location is right on campus in the front loop. If the cars on campus are not available, there are two other locations less than a mile away. The location from which you pick the car up is the location at which you have to drop the car off. If this sounds like a good fit for you, visit zipcar.com to begin the “4 simple steps to Zipcar freedom”.

Marta

There are so many places that are accessible via Marta. A Marta pass costs $2.50 for a one way, $5.00 for a round trip, $9.00 for an all-day pass, and $60 for a month pass. To purchase a month pass, you can go to Agnes Scott’s Post Office,
or contact Na’eeem Craft at 404 471-5994 or ncraft@agnesscott.edu. Once paying for your trips you will receive a breeze card that you can reload whenever you want to take your next trip. The Marta station is located right in downtown Decatur and has connecting bus routes to various places. Some of the Scottie favorites are Perimeter mall, Lenox Mall, The High Museum of Art, Little Five Points, and Downtown Atlanta.

Emory University’s Cliff Bus

The Cliff Bus system is free and transports students throughout the Emory Campus and surrounding areas. The closest point to get on a Cliff Bus is the Decatur MARTA station.

Bonus: Some of the fleet runs on biodiesel from the Agnes Scott dining hall waste!

Purple Bike Program

This is Agnes Scott’s free bike-lending program for students, faculty, and staff. You can check out a bike, a helmet, and a bike lock key from McCain Library, and all you need is your student ID. These bikes can be used to ride on or off campus. The hours they can be checked out are:

- Monday-Thursday, 8 a.m. to sunset
- Friday, 8 a.m. to 5:30 p.m.
- Saturday, 9 a.m. to 5:30 p.m.
- Sunday, 1 p.m. to sunset

Volunteering Opportunities

Multiple times a year, the Office of Sustainability hosts volunteer days at several locations, such as the Oakhurst Community Garden, Sugar Creek Garden, Trees Atlanta, and 180 Degree Farm. In the next academic year, we will be adding more volunteer locations, such as the Clyde Shepherd Nature Preserve.

PUBLIC SAFETY

West Parking Facility, S. McDonough St. | Non-emergency: (404) 471-6355 | Emergency: (404) 471-6400

The Department of Public Safety serves Agnes Scott College with jurisdiction on campus and 500 yards beyond. The department is staffed 24 hours a day, seven days a week to provide immediate emergency response, performance of security patrols, monitoring of campus and providing other police services to the campus community. Members of the department maintain a close working relationship with local, state and federal law enforcement authorities and other emergency service agencies on matters related to campus security.

You may reach public safety at 404 471-6355 (non-emergency number); for emergencies, dial 404 471-6400.
Emergency telephones, distinguishable by the blue light atop the tower, are placed around campus and are equipped with buttons for emergencies and direct dialing to Public Safety. The emergency phones may also be used to contact Public Safety to request a safety escort any time you may feel uncomfortable walking alone at night.

**Title IX Coordinator**

Kijua Sanders-McMurtry, Ph.D., Associate Dean of Students & Special Assistant to the President on Diversity | ksandersmcmurtry@agnesscott.edu

Agnes Scott College is committed to providing a learning environment for students to, “think deeply, live honorably, and engage the intellectual and social challenges of their times.” To foster this environment, the institution has appointed a Sexual Misconduct Board to ensure that all students, faculty, staff and guests are not being subjected to sexual harassment or misconduct.

Sexual Misconduct includes any non-consensual conduct of a sexual nature; sexually exploitative behavior; and, sexual harassment. It is not possible for a person to give consent if incapacitated by drugs, alcohol, or other physical or mental impairment; or if they have been threatened or coerced into giving their consent; or if the person is under the age of 16.

Title IX of the Education Amendments of 1972 protects people from discrimination based on sex, including sexual harassment and sexual violence, in education programs or activities which receive Federal financial assistance.

Members of the community who believe they have been subjected to sexual misconduct or harassment are encouraged to report these incidents, and third party reports are also welcomed. Once the report has been completed, a notification of the report being received will be promptly given with further directions. After a thorough investigation of all individuals involved, a decision will be made by the Sexual Misconduct Board. Further details regarding the policies and procedures are available online and in the student handbook.

Reports, comments, questions, or concerns should be communicated to the Title IX Coordinator.

**Wellness Center**

1st Floor of Hopkins Hall

Student Health Services (SHS)

Student Health Services provides care for all students on campus. A Family nurse practitioner will evaluate, diagnose and treat common health problems, perform routine gynecological services, and provide health education and referrals to specialists when needed. To provide the best possible service to the student’s best advantage, Agnes Scott College requires completion of the Entrance Health Record prior to a student’s initial registration. This information is maintained in confidence, is reviewed only by the SHS professional staff, and has no bearing on academic standing. The information is used to guide health care that may be required while a student is at the college. This form needs to be completely filled out by you and your physician/provider. Your physician/provider completes pages 3 and 6. The completed forms are to be sent to the address found on page 1. It is best to keep a copy for your records. Due Date: June 1 for fall semester and January 1 for spring semester. Students will not be permitted to register for classes until all requirements have been met.
All students are required to provide proof of adequate insurance coverage. (the requirements can be found on the Wellness Center website) If proof of coverage is not provided by the June 1st deadline for the fall and November 1st for the spring; your student account will be charged for the school sponsored health insurance.

- International students are covered by TW Lord and Associates and will receive information from the Office of International Education
- Domestic students that choose the Agnes Scott College sponsored plan the carrier is Aetna Student Health Insurance.

Counseling and Psychological Services (CAPS)

Confidential counseling services are available for all currently enrolled Agnes Scott students by mental health professionals whose primary responsibility is to alleviate distress and promote healthy functioning by providing short-term counseling services. These services include individual, couples, group, and problem-solving sessions, consultation and referral services, including psychiatry, and public presentations for campus organizations.

Some examples of the kind of issues students may discuss with a counselor may include: managing relationships with friends, roommates, family, professors, or romantic partners, coping with stress, homesickness, decreasing depressive feelings, handling a crisis, increasing self-esteem, exploring various identities, dealing with alcohol and/or drug concerns, improving body image, and increasing coping skills, especially for those who self-injure.

For students needing ongoing or specialized therapy, CAPS will assist with appropriate referrals to mental health providers in the community. Examples of issues beyond the scope of services provided by CAPS include extensive history of psychotherapy or previous psychiatric hospitalizations, significant alcohol or drug problems, significant eating disorder, significant self-injury; severe obsessive-compulsive disorder, severe bipolar disorder, or any problems that render a student unable to function within the college environment without ongoing psychological assistance. We encourage students with long-term mental health issues to consult with counseling center staff prior to arrival on campus (beginning August 1) to facilitate appropriate treatment, which may include an outside referral. Please note that Georgia law states that under most circumstances parents or guardians must provide consent for students younger than age 18 to be seen in counseling, contact CAPS at CAPS@agnesscott.edu and request a copy of the Minor Request for Services form.
Black Cat Week
What started out as a prank between the first-years and sophomores in 1915, has evolved into a long-standing tradition of class competition. Each year, near the end of September, the bell rings Sunday at midnight. This is a signal to the whole campus that means one thing- IT’S BLACK CAT TIME! Black Cat is initiated by Agnes Scott students rushing the quad at the ringing of the bell. This is the beginning of a very exciting week. Black Cat, which is known as Agnes Scott’s version of homecoming, is filled with friendly competition, sisterly love, and Scottie spirit! Your class color is red and you will be able to decide on a mascot as a class when school starts. Throughout the week, there are several events such as the bonfire, Junior Production, class parties, and of course the Black Cat formal dance! However, Black Cat cannot be contained to this paragraph; you must experience it for yourself and learn the ins and outs along the way. Black Cat week is the highlight of many students’ Agnes Scott experience. Get ready for the time of your life!

The Alumnae Pond

Love is in the air! One of Agnes Scotts’ many traditions is that if you get engaged while you are a student here, your friends get to throw you in Alumnae Pond. So, if you don’t want to get thrown in, don’t let your friends find out you are engaged! However, more than likely they will find out and chase you down no matter how fast you try to run. It’s all a part of the fun. So here’s a tip: don’t get engaged in the winter months! This is a fun tradition and good memories are made as you watch people get thrown in, or even get thrown in yourself. No matter how much you might temporarily dislike your friends for throwing you in the pond, you will be able to look back and laugh about it with your bridesmaids.
Ringing the Bell
One of the perks about being a senior is not only graduating, but ringing the bell. This is an exciting time for seniors as they get recognized for their post-graduation plans, such as acceptance to graduate schools or job offers. We love celebrating our Scottie success! Seniors are recognized for their achievements by going up to the tower in Main and ringing the bell, letting the whole campus know that they have great opportunities on the road ahead. This is one tradition that Agnes Scott students look forward to when they become a senior. Ringing the bell is such a big deal, as you get to celebrate your accomplishments and participate in this great Agnes Scott tradition.

Ring Ceremony
When you become a sophomore at Agnes Scott College, you are inducted into the Black Ring Mafia. This beautiful Black Onyx ring will have sentimental value throughout your college experience, and even long after you leave Agnes Scott.

Every time you look down at your finger you will be reminded of the fun times you had in college, the bonds you made, the long hours of studying, and how Agnes Scott shaped you as a person. It is also fun to meet other Scotties who are a part of the Black Ring Mafia in places that you will least expect: abroad, on the train, in the grocery store, at a coffee shop, or anywhere. There are Scotties all over the world with this ring, as it has been a tradition since the 1920’s. For many Scotties, the Ring Ceremony is one of the most anticipated events of their whole four years at Agnes Scott.
