<b>Approved TOPICS that have been offered in previous semesters:</b>											
the following courses are topics that have been approved to meet a SUMMIT requirement and have been offered under a different course title. For topics classes, the SUMMIT designation only applies to the specific course title that was approved by curriculum committee. For example "Art, Architecture and Propaganda" and "Late Medieval Art" may have different SUMMIT designations even though both are listed under ART-296. The most recent topic offered is listed above in the main part of this document.
